Cruising is an incredible way to discover the world. Take in little known ports and vibrant cities, while still having top class facilities and entertainment.

New ships are offering more outdoor spaces and views of the sea with promenades, boardwalk-style decks, glass walls, transparent walkways and see-through slides plus all the razzle-dazzle, laser tag, water slides, zip lines, massive LED screens. With an emphasis on healthy lifestyle options from dining to fitness – there's never been as much variety on offer than what there is today!

So whether it's small, river or mega ships our cruise specialists have travelled the world discovering the best cruises for you.

We have visited cold-water destinations like Greenland and the polar-regions, explored coastlines and rivers in Europe and Asia and are always discovering the wonders of the Pacific and cruising "Close to Home".

The world of cruising awaits you...

Come Back New with Princess Cruises®

A World Cruise with Princess is an adventure had by few – but a journey that is, simply put, incredible. Visit five continents and experience countless only-see-from-a-cruise moments. Along the way, you'll discover corners of the globe you only dreamed of visiting... so that you can truly come back new®.

What's your **Style?**

Travelling with family or going it alone? Looking for a speciality cruise? Perhaps a foodie themed adventure? Maybe a river or luxe experience or a romantic escape? Or are you a first time cruiser? Whatever your cruise style, whatever your questions, we've got the answers to help you plan your perfect cruise.

The Foodie: With a myriad of onboard eateries, it's easy to see why cruise holidays attract keen foodies. Most modern cruise liners feature menus of gastronomic delights from every corner of the world – perfect for those who enjoy tasting new culinary treats on their journey. Travel with a *Foodie* and conversations will soon turn to where to eat – luckily, you'll never be short of places to choose, either onboard or at the next port of call.

The Sightseer: *The Sightseer* yearns for new horizons, impatient to explore new destinations and uncover new walks of life. Cruising offers the eager sightseer a way to see the world without the inconvenience of a departure lounge!

The Lounger: Destination of choice – the deckchair. After waiting for months to set foot on deck “*The Lounger*” will lay claim to the nearest sun lounger and spend the rest of their time onboard topping up their tan. “*The Lounger*” is well catered for and guaranteed a sun-drenched spot in which to lay their beach-towel.

The Trailblazer: Often chooses a cruise based on what's onboard, not where it's going. Scouring the ship for the most-adrenaline-pumping activity and making a beeline for it. From surfing to skydiving, bowling to abseiling, they'll try the lot and then do it all again. Never content to lay and relax, *The Trailblazer* will explore every nook and cranny of the ship, and then shore, for their next taste of adventure.

The Wellbeing Warrior: A massage one day, hair treatment the next – for *The Wellbeing Warrior*, cruising is about taking care of the mind, body and soul. Most cruise ships feature a well-equipped spa offering a variety of services, and that's exactly where you'll find *The Wellbeing Warrior*. In day-to-day life, you'll find them always on the run but as soon as they step aboard, it's on with the robe & straight to the spa!

AMERICAN QUEEN®
STEAMBOAT COMPANY

Luxury River & Ocean Cruising

Mention cruise holidays to most people, and the image that springs to mind is a huge ship equipped with swimming pools, cinemas and half a dozen restaurants. As luxury cruising continues to expand, new upscale products are emerging and travellers are discovering the ease of both ocean and river luxury cruising.

Why choose a River luxury experience?

Experiencing a river cruise offers boutique luxury with a smaller passenger capacity and a picturesque journey.

Many of the world's most enchanting towns and landscapes lie far from the ocean's edge. They're strung along the world's great rivers and canals, like jewels on a necklace.

Europe is the spiritual home of river cruising with routes up the Rhine, Seine and Danube. However river cruising is also the time honored way to experience the splendours of the Nile, Yangtze, Mississippi, Mekong, Amazon or Murray waterways.

Or perhaps the Ocean is calling you?

Alternatively, experience true opulence when you opt for an ocean voyage. Indulge yourself with the newest trends that showcase itineraries for active travellers, food and wine aficionados, history buffs and wellness seekers.

Relaxing sea days contrast with stimulating shore excursions – the top cruise lines will spare no expense to enhance your voyage of discovery.

Whether you prefer to watch a never ending panorama on a river cruise or travel in style on the high seas, there are plenty of options to explore.
